YOYOGI INTERNATIONAL SCHOOL

Halloween Fun

Students had a wonderful time today dressed in Halloween costumes. They dressed up and participated in a parade on the Green Field before going Trick or Treating between the two buildings with their grade partners. Younger students were paired with older students for support.

The Multipurpose Room was fully decorated and hosted games for the students. They enjoyed the games and then received a treat. We would like to thank the **Yogi Friends** for the donation of candy, decorations and a lot of time. They did a wonderful job of supporting our students and making the day special.

November 9 Parent Information Session

We will be speaking with all parents about the current plans for the school, the Middle School program and the PYP. There will be an opportunity to ask questions and enjoy a coffee with other parents. The meeting is hosted by Mr. Haggith, the Head of School.

The meeting begins at 8:45 and will be completed by 9:30 with time for parent visiting and questions afterwards.

No ASAs this Friday

There will not be any After School Activities (ASA) this Friday due to the public holiday. We will have a normal school day so please plan your child's end of day routine accordingly.

Scholastic Book Order

Scholastic book orders are a great way to build your family library and feed your child's curiosity. Through your student purchase we were awarded enough points to purchase 60 books for our library. The current book order is due November 10. We do three orders per year.

Student Illness

We have been seeing cases of the flu at school. Please keep your child at home if he/she displays any of the following symptoms:

- Sore throat, vomiting, temperature over 37.5°C (99.5°F) or diarrhea
- Any signs of contagious diseases such as chicken pox, measles, mumps, etc.

Please also note that children should be kept at home for at least 48 hours (NEW) after all symptoms have subsided or after starting any antibiotic treatment and are free of fever. Everyone's cooperation is needed to ensure the health and safety of all the students at school. If a child displays a sore throat, vomiting, temperature over 37.5°C (99.5°F) or diarrhea at school, they will be sent home.

If a student is sent home with a sore throat, vomiting, temperature over 37.5°C (99.5°F) or diarrhea, they must remain at home the following day. (NEW)

Coming Events

November 3 - No ASAs after school

Yoyogi Friends

Our parent group (PTA) is going to be called **Yoyogi Friends**. They have been meeting about twice a month and were instrumental in planning the Halloween Event at school.

All are welcome to come and join the conversation and coffee. This year the group has decided on a more informal format that has created a very relaxed and collaborative atmosphere. The next meeting is November 16 at 8:45 am. Please come and join us.

These are some of our wonderful parent Halloween volunteers. They had a lot of fun and made a day of it!

Names on Clothing

Please write your child's name on their clothing. At this time of the years, student are wearing sweaters and jackets that eventually get left behind. It is very easy for clothing to be lost or confused with another student's when the name is not on the sweater. Please label all sweaters and removable clothing before it comes to school. Unlabelled clothing may be labeled by staff ... or lost.

Please follow us on **Facebook** and **Instagram**. We are sharing fun and interesting moments of inquiry. Please like, follow and add your comments. If you ever see something that you disagree with, please inform the Head of School.
