5K Terry Fox Run for Cancer

We ran through the rain and finished the 5K Terry Fox Run for Cancer last Friday. The students and parents had a lot of fun and the event was meaningful. The run was a great success and well attended by parents. Thank you so much for your support. We will transfer a donation of ¥365,241 to the Japan Cancer Society.

Lunch Utensils

Please make sure your child has eating utensils for lunch each day. A number of students show up each day requesting a fork or spoon. If you order Kiwi Kitchen please make sure you have arranged for utensils or sent your own to school.

Picnic In Yoyogi Park

Yoyogi Friends will be hosting a family picnic in Yoyogi Park for the families of the school. Please join us for some fun, food and community. The environment is very casual and relaxing. You can find the picnic location in the flyer below and they will occur throughout the school year when the weather allows. The first family picnic is October 26, 11:00-2:00. Bring along a blanket, food and your favourite outdoor game/toys.

Halloween Plans

This year we will participate in Halloween events on Friday, November 1. All activities will be in the afternoon with an emphasis on fun community building with dress-up fun. A parade of costumes will occur with some fun games in the MPR hosted by Yoyogi Friends. Some candy collected will be sent home for parents to manage. Costumes can be worn to school or put on at lunch time.

25th Anniversary Gala Party was a great success!

Quote for thought

Every student can learn.
Just not always on the same day
or in the same way.

Colour Houses

Colour House Cooperative Challenges will take place at the Olympic Centre on October 22 and October 29. These events are similar to a mini-sports day, with some fun team challenges for Colour Houses to compete against each other.

Parents are welcome to meet us at the Olympic Centre and cheer for their Colour House and watch the challenges. See the time and date for your child's grade level below:

October 22 - 1:50 - 2:40 pm
All-Star Colour Houses - Students from Grades 3 - 8

October 29 - 1:50 - 2:40 pm
Rising Star Colour Houses - Students from Kindergarten, Grade 1, Grade 2

Students can wear a shirt of their own house colour if they want to on this day.

School Promotional Video

We are developing a school video to be hosted on the school website. The video will show who we are as school and feature life at the school. It is possible that your child could be shown in a short video clip. There will not be an intensive focus on any child. Please email School Office (schooloffice@yoyogiinternational.com) if this is an issue for you.

Colour Houses

Within their house colour designation, students participate in special events like, house colour day, assemblies, and other cross grade activities throughout the year. Each house colour is made up of students from grades kindergarten to grade eight and provides opportunities for positive interaction among the grade levels.
