**8:30- 11:30**

Each day the students arrive directly to the Youth Memorial Olympic Center where we spend the morning in the gym with fun games and cooperative activities. We travel by bus back to the Jinnan campus for lunch. Some mornings in June, campers may choose to go to the Pony Park close by.

Students eat lunch at the new Jinnan Campus. Campers may choose to eat lunch from home or order their lunch through the catering service, Kiwi Kitchen

We have booked an Airbnb for the stay under the supervision of male and female staff. Campers may be asked to share a room with another student. We have limited spaces available for child safety reasons.

## Monday and Friday

Monday will prepare students for the trip and give them time to get to know each other. Details can be found on the Base Camp page. On Friday, campers will participate with the other day campers and have time to reflect on the EXPO Trip with the staff. Staff will share images and memories from the trip with families. The primary goal of all activities is to ensure safe and fun participation. All staff members have completed Child Safeguarding training and received formal teacher training. Students will be directly supervised 100% of the trip.
