Grade 1 Students Visit the Jinnan Campus

We have settled into the Jinnan Campus and are preparing to expand onto the 10th Floor soon. In August our current Grade 1 and Grade 2 students will join us at the Jinnan Campus. The Grade 1 and Grade 2 teachers have looked for opportunities to bring the students over to the campus and get them comfortable before they arrive in August.

Track and Field

Grade 4 and Grade 5 participated in the ISTAA (International Schools of Tokyo Athletic Association) event with several international schools from across Tokyo. It was a fantastic opportunity for students to be part of a broader athletic community and to demonstrate their effort, teamwork, and sportsmanship. All students participated in at least one event and it was an important part of their PE learning.

Middle School Computers for 2025-2026 SY

Beginning in August of the 2025-2026 school year all Middle School (G.6-8) students will bring their own computer from home. They will not receive school computers. The goal is to give greater access at home and school for student learning. Guidelines and user policies will be shared with students and parents before the end of this school year. Students in Kindergarten to Grade 5 will continue to work on school provided laptops and tablets.

Sports Day - Tuesday, May 27

All students will participate in Sports Day this Tuesday at the Youth Memorial Olympic Center from 9:00 am to 12:00 in Gyms 1 and 2.

We encourage parents and family members to attend Sports Day! You are welcome to cheer on your child(ren) and even take part in some activities together. It is a fun day that features structured and unstructured play and friendly competition in our Colour House Teams.

Yoyogi Friends chatting with Grade 3 Students about their writing.

Yoyogi Friends

Thank you to Yoyogi Friends for the support of the families, staff and students this year. Please plan to join us at our final meeting on May 29.
