STORYTELLING CLUB

Delivered by Ms. Kelly Heinzl

SKILLS FOCUS

Students will explore their imagination through the artform of storytelling. Each week, we will learn about both modern and traditional ways of storytelling-such as Japanese kamishibai (paper theater) and marionette puppet shows to four-panel comics and simple stage plays. Through these experiences, students will grow their verbal and presentation skills while also becoming more confident in identifying the elements of a story and expressing themselves in imaginative ways. They will learn to become both storytellers and story creators, using drawing, acting, puppetry, and performance. This club is perfect for children who love stories, art, drama, and expressing their ideas in fun, hands-on ways.

Students will identify and apply key elements of a story. Students will develop verbal and non-verbal communication skills. Students will demonstrate creativity and personal expression.

PAYMENT

Upon confirmation of your Child's place, an invoice will be sent to you by the Operations Office.

RISING RUNNERS

Delivered by Ms. Zoe Cheung

Get set, go! The Rising Runners will enjoy running while exploring the beautiful nature of Yoyogi Park. Each session includes basic warm-ups and playful activities to build strength and stamina. We'll develop our endurance by running up and down the paths, and boost our speed with sprints and races. Along the way, we'll share laughter and positive energy while running with buddies. Through these activities, we'll improve cardiovascular health, strengthen balance and coordination, and build resilience through physical challenges. Everyone can become a Rising Runner — especially if you're looking to burn off some extra energy after a full day of school!

SKILLS FOCUS

- Balance and body coordination
- Physical and emotional endurance
- Friendship building and cooperation skills

PAINT THE MOMENT

Delivered by Ms. Sara Ismaeel

Paint the Moment is an immersive art experience where students capture live scenes, moods, and stories as they unfold. Each session presents a new source of inspiration — from moving dancers and theatrical costumes to outdoor scenes and dramatic still-life arrangements. Students will learn how to translate energy, movement, and atmosphere into expressive brushwork, bold colors, and dynamic compositions. The emphasis is on speed, intuition, and personal interpretation, allowing each artist to create work that feels alive and immediate. Over time, participants will build a collection of vibrant, moment-driven artworks that celebrate the art of being present.

SKILLS FOCUS

- Dynamic Composition
- Expressive Painting
- Presence & Focus

PILATES

Delivered by Ms. Yuri Tanioka, Certified Pilates Instructor

I have been a Pilates instructor for 10 years. I will guide children to quickly develop good habits through movement. Let's have fun in my Pilates class!

In my kids' classes, I encourage children's physical development and breathing through the practice of Pilates while having fun. They will also become aware of their own bodies and develop an awareness of the importance of health. By approaching the bones and muscles necessary in childhood, I can effectively create the correct posture that takes advantage of the developmental process.
