

YOYOGI INTERNATIONAL SCHOOL

Dear Yoyogi International School community,

We are pleased to share some exciting news about the continued growth of Yoyogi International School. Beginning in the **2026–2027 school year**, we will be starting both our **High School Program** and **Early Childhood** programs.

1. Grade 9 (High School/ MYP)

Our High School Grade 9 (MYP Grade 9) will start in August 2026. This is an important step forward in our long-term academic vision. As part of this growth, Yoyogi IS will begin its process to become a **Middle Years Programme (MYP) School**.

The **MYP**, designed for students in **Grades 6–10**, provides a natural progression from the Primary Years Programme (PYP) and prepares students for the challenges of higher learning. In **2026**, we will also begin seeking authorization for the **Diploma Programme (DP)** for **Grades 11 and 12**.

2. PreKindergarten Program

We are equally excited to announce the addition of a **PreKindergarten** (4-5 Year olds) class. This program will be located at our **Yoyogi Campus**, alongside our Kindergarten students, and will offer a nurturing environment that supports curiosity, creativity, and early development. Please be informed that all Grade school students will be on the Jinnan Campus for the 2026-2027 school year.

Further information, including program details and admissions updates, will be shared soon. We are deeply grateful for your **continued trust and support** as we grow to provide exceptional educational opportunities for all students at Yoyogi IS.

Sincerely,

Kevin Haggith
Head of School
