

# HEAD OF SCHOOL NEWSLETTER

December 2025

2025 has been a big year for Yoyogi International School. One year ago, we were housed in three separate, smaller buildings in the Yoyogi-Hachiman area. The move to the larger, more modern setting at the Jinnan Campus and the expansion of classrooms at the Yoyogi Building have been a very welcome change for staff and students. There is much more to look forward to in 2026.

The Yoyogi International School Staff wish you a happy and safe winter holiday with friends and family. Merry Christmas, Happy Hanukkah, and Happy New Year to our Yoyogi IS school family!

*Merry  
Christmas*  
AND HAPPY NEW YEAR

## School Donation

World Gift is an international cooperation NGO that provides life-saving support, mainly through donations of goods, including food, medical, and safe water. They reuse items around the world that people in Japan don't want to throw away or would like someone to use, and use them for relief efforts.

Our school has donated uniform shirts that no longer fit our inventory to World Gift. We hope they are a blessing to others in need.

## Winter Performance and Art Show 2025

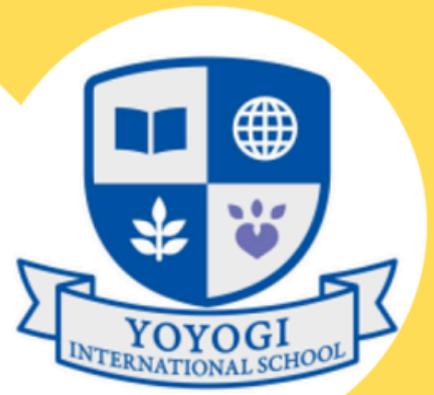

## School Uniforms

This is a reminder to families to make sure your students are wearing a school top and pants or a skirt that are dark blue and free from logos, etc.

PLEASE WRITE YOUR CHILD'S NAME ON ALL CLOTHING (and water bottles). We often find many lost sweaters and bottles that we cannot reconnect with the owners.

*We wish the best to those students and families repatriating back to their home countries or moving on to a new location. We hope that we have served you well during your time with us and that your new school home is a great one. Thank you and safe travels!*
