Storytelling				

STORYTELLING

Delivered by Ms. Kelly Heinzl

Students will explore their imagination through the artform of storytelling. Each week, we will learn about both modern and traditional ways of storytelling-such as Japanese kamishibai (paper theater) and marionette puppet shows to four-panel comics and simple stage plays. Through these experiences, students will grow their verbal and presentation skills while also becoming more confident in identifying the elements of a story and expressing themselves in imaginative ways. They will learn to become both storytellers and story creators, using drawing, acting, puppetry, and performance. This club is perfect for children who love stories, art, drama, and expressing their ideas in fun, hands-on ways.

SKILLS FOCUS

Students will identify and apply key elements of a story. Students will develop verbal and non-verbal communication skills. Students will demonstrate creativity and personal expression.

PAYMENT

Upon confirmation of your Child's place, an invoice will be sent to you.

Grade: Pre-K - Kinder

Days: Monday

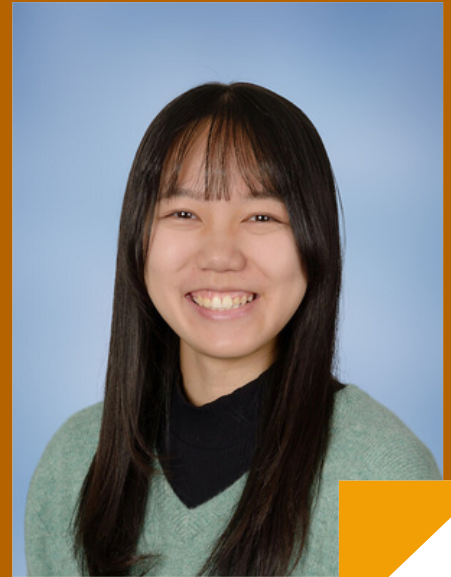

Time: 15:45-16:45

Price: 3500 yen/session

CLAY CLUB

Delivered by Ms. Zoe Cheung

Clay Club is a hands-on club where students explore their creativity through playdough, air-dry clay, and oil-based clay. Each week, students will create fun, themed projects inspired by nature, animals, cultural celebrations, and the changing seasons.

Through techniques such as rolling, pinching, flattening, and coiling, students will develop basic sculpting skills while bringing their ideas to life. They will also build creative thinking, communication, and collaboration skills by sharing ideas and working alongside their peers in a supportive environment.

Join Clay Club and become a young sculptor as you create, explore, and grow in confidence!

SKILLS FOCUS

- Fine motor skills
- Creative thinking skills
- Collaborative and social skills

THE PAINT & PLAY STUDIO

Delivered by Ms. Sara Ismaeel

The Paint & Play Studio is a joyful space where young artists explore colors, shapes, and textures through hands-on painting activities. Each session introduces a fun theme — like rainbows, animals, or seasons — while encouraging creativity and self-expression. Students will learn how to mix colors, experiment with brushes and sponges, and create expressive artworks that reflect their imagination. The focus is on exploration, not perfection, helping children gain confidence and joy through art-making.

SKILLS FOCUS

- Creative Expression
- Color Recognition
- Fine Motor Development

PILATES

**Delivered by Ms. Yuri
Tanioka, Certified Pilates
Instructor**

I have been a Pilates instructor for 10 years. I will guide children to quickly develop good habits through movement. Let's have fun in my Pilates class!

In my kids' classes, I encourage children's physical development and breathing through the practice of Pilates while having fun. They will also become aware of their own bodies and develop an awareness of the importance of health. By approaching the bones and muscles necessary in childhood, I can effectively create the correct posture that takes advantage of the developmental process.
